Did you know?

Unfortunately **178 People** lost their lives at work in 2016! **26 of them were Victorians.** This is why **WorkSafe** conducts **40,000 business inspections per annum** in Victoria & Why **B.I.G.** is **Paid by WorkSafe** to Help You Make Your Businesses as Safe as Possible!

Does your business meet current OHS legislation obligations?

Who is eligible for this OHS Improvement Program?

- Victorian **small businesses** with limited OHS information and knowledge and less than 20 employees or \$1m in remuneration receive up to 5 Hours Free, in two sessions of 3 & 2 hrs.
- Victorian **medium-sized businesses** with less than 200 employees or \$20m in remuneration and an existing knowledge of OHS and return to work, receive up to 10 Hours Free, in two sessions of 6 & 4hs.

What's involved in our FREE OHS Essentials Consultancy Program?

- We meet with you & discuss your specific business environment twice within 3 months. The initial meeting includes a review of your policies, procedures, site operations and the creation of your 'OHS Action Plan' with **Tailored Advice and Resources for Your Business.**
- Our OHS Essentials Program can also be supported by B.I.G.'s integrated Management Model, Audits, SOP's, Training & Implementation Programs, to help improve communication & drive better results across your business.
- Our OHS services may also help reduce your insurance premiums!
